The screenshot shows the Adobe Creative Cloud user interface. At the top, there is a navigation bar with 'Creative Cloud', 'Home', 'Apps', 'Learn', and 'Your work'. A search bar is located on the right. The main content area features a large background image of mountains and a 'Welcome to Creative Cloud, Diana' message. Below this, a horizontal row of app icons is displayed: Photoshop, Acrobat DC, Illustrator, Premiere Pro, and InDesign, along with an 'All your apps' button. The Photoshop app card is highlighted, showing its icon, name, and a description: 'The world's best imaging and design application. Create and enhance photographs, illustrations, and 3D artwork. It's everything you need to make any idea real. [Learn more](#)'. A 'Get desktop app' button is visible at the bottom of the card. To the right, a sidebar contains the user's name 'Diana', a 'Manage account' link, 'Adobe for Enterprise', 'Quick links' (including 'Install Creative Cloud app', 'Help center', and 'Contact us'), and a 'CLOUD STORAGE' section.
